

Private L.A.

Private Jack Morgan investigates the disappearance of the biggest superstar couple in Hollywood. Thom and Jennifer Harlow are the perfect couple, with three perfect children. They maybe two of the biggest mega movie stars in the world, but theyre also great parents, philanthropists and just all-around good people. When they disappear without a word from their ranch, facts are hard to find. They live behind such a high wall of security and image control that even world-renowned Private Investigator Jack Morgan cant get to the truth. But as Jack keeps probing, secrets sprout thick and fast--and the worlds golden couple may emerge as hiding behind a world of desperation and deception that the wildest reality show couldnt begin to unveil. Murder is only the opening scene.
