

Fighting Chance

That settles it, said the doctor grimly, that clinches it! That locks you to the wheel! That pledges you. The squabble is on, now. Its your honour thats engaged now, not your nerves, not your intestines. Its a good fight--a very good fight, with no chance of losing anything but life. You go up the river to Mulqueens. Thats the strategy in this campaign; thats excellent manoeuvring; thats good generalship! Eh? Mask your purpose, Steve; make a feint of camping out here under my guns; then suddenly fling your entire force up the Hudson and fortify yourself at Mulqueens! Ho, thatll fix em! Thats going to astonish the enemy!
