

Ragged Dick and Struggling Upward (Penguin American Library)

From the 1860s through the 1890s, Horatio Alger wrote hundreds of novels to teach young boys the merits of honesty, hard work, and cheerfulness in the face of adversity. As Carl Bode points out in his introduction, Horatio Alger filled a void in American literature and met scant competition both in the nature and the number of his works. Like his heroes, Alger rose to the top by chance, coincidence, and hard work. The hero of *Ragged Dick* is a veritable diamond in the rough as innately virtuous as he is streetwise and cocky. Immediately popular with young readers, the novel also appealed to parents, who responded to its colorful espousal of the Protestant ethic. *Struggling Upward*, published nearly thirty years later, followed the same time-tested formulas, and despite critical indifference it, too, had mass appeal. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. From the Trade Paperback edition.
