

The Happy, Fun, Party Travel Guide to Reno Part II: A Guide to Bars, Restaurants, and Special Events

Reno is experiencing a transformation from old-fashioned, dusty casino town to a new and exciting center for innovative, natural, independent, sustainable, and authentic cuisine and cocktails; a resurgent 24-hour nightlife; and a whole new eclectic bohemian neighborhood in the making called Midtown. Also in a nine square-block area of southwest downtown, there are a dozen restaurants and twenty bars, the majority of which have opened in the last five years. Reno also has several large annual bar crawls like the Santa Crawl, Superhero Crawl, Pirate Crawl, and Zombie Crawl. This is one of the most exciting times to live in and visit Reno. So don't just visit a casino and eat at a buffet. Get the most out of your stay in Reno, and if you live here, get out and discover the great new things happening right under your nose. There are two books: Part I: A Guide to Casinos, Attractions, and History and Part II: A Guide to Bars, Restaurants, and Special Events that will be updated more frequently.
