

## Roman Catholicism in Spain

[...]of the nation, nor prevent its characteristic qualities from reflecting themselves in worship, devotion, and every thing else that constitutes a national religion. Thus it was, that, with those intolerant and persecuting propensities, were also associated, in Spanish Catholicism, the gorgeous, romantic, and poetic, which are still preserved among that semi-oriental race. The Spaniard, endowed with a lively imagination, appears to identify himself with the objects of his endearment; his soul is transported by them, and he dresses them up in his imagination till he[...].
