

The Rules of Engagement: A Novel

Elizabeth and Betsy had been school friends in 1950s London. Elizabeth, prudent and introspective, values social propriety. Betsy, raised by a spinster aunt, is open, trusting, and desperate for affection. After growing up and going their separate ways, the two women reconnect later in life. Elizabeth has married kind but tedious Digby, while Betsy is still searching for love and belonging. In this deeply perceptive story, Anita Brookner brilliantly charts the resilience of a friendship tested by alienation and by jealousy over a man who seems to offer the promise of escape.

The Rules of Engagement - The New York Times To read Brookner is to be reminded of fictions potential to stun, with full, complex characters in a richly imagined world, as she draws on her **The Rules of Engagement: Catherine Bush, Wendy Van Riesen** Rules of Engagement: A Novel Paperback March 11, 2013.
