

## Sense and Sensibility (Illustrated Edition)

- Beautifully illustrated with historical sketches from early editions of the novel, Sense and Sensibility is the powerful tale of the love and lives of two sisters that's as gripping today as it was when first published over 200 years ago. It was Jane Austen's first novel which she started when aged just 19.
- The hugely successful 1995 film of the novel, starring Emma Thompson and Kate Winslet, brought the story to a whole new generation and it continues to be thoroughly enjoyed today.
- This meticulous digital edition from Heritage Illustrated Publishing is a faithful reproduction of the original text.
