

Sorrows of Young Werther, Elective Affinities, Italian: WITH Elective Affinities, Faust and Italian Journey: Journeys and Faust (Everymans Library Classics)

Johann Wolfgang Von Goethe (1749-1832) is one of the towering figures of world culture, a universal man whose extraordinary talents found expression in literature, drama, autobiography, politics and the sciences. Edited and introduced by Nicholas Boyle, author of the definitive biography of Goethe, the Everymans Library edition shows that Goethe remains one of the most intriguing and readable of European writers. Goethe established an international literary reputation overnight with *The Sorrows of Young Werther* (1774), a story of disappointed love and pathological sensibility which mounted a powerful challenge to the rationalism of the Enlightenment.
