

## Anne Of The Islands (Classics To Go Book 171)

Anne leaves Green Gables and her work as a teacher in Avonlea to pursue her original dream of taking further education at Redmond College in Nova Scotia. Gilbert Blythe and Charlie Sloane enroll as well, as does Annes friend from Queens Academy, Priscilla Grant. During her first week of school, Anne befriends Philippa Gordon, a beautiful girl whose frivolous ways charm her. Philippa (Phil for short) also happens to be from Annes birthplace of Bolingbroke. The girls spend their first year in boardinghouses and decide to set up house thereafter in a lovely cottage called Pattys Place, near campus. The girls enter their second year at Redmond happily ensconced at Pattys Place, along with Queens classmate Stella Maynard and her Aunt Jimsie (their chaperone), while life continues in Avonlea. Diana Barry becomes engaged to Fred Wright and Davy and Dora continue to keep Marilla busy. Midway through their college years, Gilbert, who has always loved Anne, proposes to her but Anne rejects him; although she and Gilbert are very close, she holds sentimental fantasies about true love (all featuring a tall, dark, handsome, inscrutable hero) and does not recognise her true feelings for Gilbert. Gilbert leaves, his heart broken, and the two drift apart. (Excerpt from Wikipedia)
