The greatest mountain we need to climb lies in our own minds. Its not the highest mountain that we conquer, but ourselves, our own mentality. Overcoming perceived limits to reach (attain) the pinnacle of our own minds.- craig (as inspired by the words of Sir Edmund Hillary, conquerer of Mount Everest (1919-2008) Just time to slip in one heavy spiritual quote Truth and love must prevail over lies and hate.- Vaclav Havel, , playwright , former dissident, then President of Czechoslovakia
