

Tarzan of the Apes: Classic Adventure

John Clayton was born in the western coastal jungles of equatorial Africa to a marooned couple from England, John and Alice Clayton, Lord and Lady Greystoke. His mother dies of natural causes on Tarzan's first birthday, and his father is killed by the savage king ape Kerchak. John is adopted as an infant by the she-ape Kala after his parents die. John is named Tarzan which means White Skin in the ape language and is raised in ignorance of his human heritage.
