

## Teach English in South Korea: The Easy Way

Are you thinking of teaching English in South Korea? This essential guide will give you the inside information you need to choose the best position available. Deciding to come to Korea can be a life changing experience. Of course, we've all heard the horror stories, too. Take it from an insider I've been involved in the English education industry in Korea for over five years, and I've seen the good, the bad, and the unmentionable! Yes, there are people in Korea from the West who found good teaching jobs and have stayed there for years maybe over ten years. There are also people who show up and end up leaving in a fury before a few months have passed. They chose the wrong job, and their great Korean adventure turned into a nightmare. Don't let this happen to you. Of course, there's a mess of literature on the internet about teaching English in Korea. This guide intends to tell you the Five Most Important Things to consider when making your decision to visit the Kimchi Republic.
