

The After House

Just out of the hospital and totally out of funds, Ralph Leslie jumped at the chance to sign aboard millionaire Marshall Turners luxurious super-yacht as steward to the passengers lodged in its after house. His job was easy sailing until one sultry summer night the dream voyage suddenly became a nightmare of blood and terror. One ships officer was thrown overboard. Another was hacked to death with an ax. The killer struck again and again, and the Ella was awash in a wave of panic that engulfed passengers and crew alike. Only one hand aboard, ex-landlubber Leslie, seemed enough in control to stay the bloody hand of the murderer. But hed have to stay alive to do it, and that wasnt going to be easy.
