

The Beautiful and Damned: A Quality Print Classic

Fitzgerald truly breaks his own mold on this terrific literary achievement. He not only tells a wonderful story of two young lovers but he also parallels it with a very strong supporting cast of characters to Anthony and Gloria. Much can be understood of the lead characters by reading into the supporting characters, focus on Anthonys grandfather for example. The rosy picture which is so commonly printed by the media of the rich has never been so wonderfully redone with vibrant color as Fitzgerald waves his paint brush through all the old misconceptions of the rich and into something truly brilliant: Real life. Fitzgerald was indeed touched with brilliance, and never has it ever been more evident than in his wonderful novel The Beautiful and Damned. An absolute must read.
