

The Call of the Wild (Illustrated)

Clearly a literary great, Jack London gave his gift to the world many years ago with this classic story. The Call of the Wild, set in the late 1800s, takes the reader on an interesting adventure during the 1890s Klondike Gold Rush. Enjoy Londons imagination as you discover what life was like for an in-demand dog during those times and how this dog responded to the challenges laid before him. -With rare images Richard Foster Classics Collection
