

The Call of the Wild, White Fang: Two Adventures in the Northern Wilds

EXCEPTIONAL UNABRIDGED EDITION Read the greatest novels by Jack London in a beautifully presented edition. First published in 1903, *The Call of the Wild* is a tale about unbreakable spirit and the struggle for existence. The central character is a domesticated sturdy cross breed canine named Buck, born to luxury and raised in a sheltered Californian home. Stolen from his home and sold into service as sled dog in Alaska, he reverts to a wild state. Buck is forced to fight in order to dominate other dogs in a harsh climate. Passed from master to master, Buck embarks on an extraordinary journey. *White Fang* story, first published in 1906, takes place in the desolate, frozen wilds of northwest Canada. *White Fang*, a part dog, part wolf cub finds himself the sole survivor of a litter of five. In his lonely world, he soon learned to follow the harsh law of the North kill or be killed - and become a ferocious and magnificent creature. But nothing in his young life prepared him for the cruelty of the bully Beauty Smith, who buys *White Fang* from his Indian master and turns him into a vicious killer a pit dog forced to fight for money. Much of the novel is written from the viewpoint *White Fang*, through whose experiences the author makes a parallel between the wilderness life among animals and the violent world of humans. Jack London (1876-1916), was an American author, journalist, and social activist. These two masterpieces, set during the 1890s Klondike Gold Rush, are based on the authors experiences as a gold prospector in the Canadian wilderness. Their great popularity and success made a reputation for Jack London. These enthralling adventures are must-read of American classic literature and will delight readers of all ages.
