

The Castle (Chinese Edition)

The Castle is a famous mystery novel and one of the representatives of magic realism. It tells a very simple story, but makes different readers have different reading experiences. Its ridiculousness, virtuality, uncertain era and geographic background and other features endow it with thick color of allegory, so that each reader could obtain his own conclusion and reality conclusion under the background of allegory. The Castle, together with The Trial and Amerika, are the representatives of Austrian writer Kafka, and they are called the Kafka trilogy.
