The epitome of the chivalric novel, Ivanhoe sweeps readers into Medieval England and the lives of a memorable cast of characters. King Richard, who had been captured by the Duke of Saxony, on his way back, was still supposed to be in the arms of his captors. The legendary Robin Hood, initially under the name of Locksley, is also a character in the story, as are his merry men, including Friar Tuck and less so, Alan-a-Dale. Other major characters include his father, Cedric, a descendant of the Saxon King, Knights Templar, churchmen, loyal serfs, Gurth the swineherd and the jester Wamba, and
