

Three John Silence Stories

The first story is interesting enough, but the second one struck me as greatly lacking that special something that makes Algernon Blackwood's writings so great. All was redeemed, however, in the glorious tale spun in the third story of the book. Gripping, fantastical, and unexpected - this is what makes Blackwood so great. I can't wait to crack open the next three John Silence stories.

Nov 11, 2016 Algernon Blackwood was a prolific English writer best known for being one of the greatest authors in the horror and ghost genres of fiction. **CreateSpace Independent Publishing Platform Three John Silence** 1 quote from Three John Silence Stories: reading.
