

Mark Twain Collected Stories (The Classic Collection)

From the highly acclaimed American author of such coming-of-age novels as *The Adventures of Tom Sawyer* A collection of Mark Twain's best-loved and classic stories and essays, including *The Notorious Jumping Frog of Calaveras County*, *The Story of the Old Ram Buck Fanshaws Funeral*, *Tom Quartz*, *What Stumped the Bluejays*, *Journalism in Tennessee* and much more! Thomas Becker's delivery suggests the wry humor one imagines the author himself would use in reading them. This recording's success is a result of Becker's dramatic reading ability, which is nicely understated yet totally effective and appropriate. This work is part of Brilliance Audio's extensive Classic Collection, bringing you timeless masterpieces that you and your family are sure to love.
