

## On the Eve

This exquisite novel, first published in 1859, like so many great works of art, holds depths of meaning which at first sight lie veiled under the simplicity and harmony of the technique. To the English reader *On the Eve* is a charmingly drawn picture of a quiet Russian household, with a delicate analysis of a young girl's soul; but to Russians it is also a deep and penetrating diagnosis of the destinies of the Russia of the fifties.
