

The Forsyte Saga 7: Maid in Waiting

This sweeping family saga now moves to the lives and loves of the Cherrells in the early 30s, cousins by marriage to the Forsytes. An old English family, their one constant in an age of change and uncertainty is their ancestral home, Condaford Grange. It is especially precious to young Elizabeth Cherrell, or Dinny, whose family is everything to her. And when her brother faces extradition to South America, falsely accused of murder, and her cousin is threatened by her mentally unstable husband, Dinny does everything she can to shield them from harm.
