

The God of His Fathers: And Other Stories (Classic Reprint)

Excerpt from The God of His Fathers: And Other Stories On every hand stretched the forest primeval, - the home of noisy comedy and silent tragedy. Here the struggle for survival continued to wage with all its ancient brutality. Briton and Russian were still to overlap in the Land of the Rainbows End - and this was the very heart of it - nor had Yankee gold yet purchased its vast domain. The wolf-pack still clung to the flank of the cariboo-herd, singling out the weak and the big with calf, and pulling them down as remorselessly as were it a thousand, thousand generations into the past. The sparse aborigines still acknowledged the rule of their chiefs and medicine men, drove out bad spirits, burned their witches, fought their neighbors, and ate their enemies with a relish which spoke well of their bellies. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
