

The Haunted Hotel: A Mystery of Modern Venice

Is there no explanation of the mystery of The Haunted Hotel? Is The Haunted Hotel the tale of a haunting -- or the tale of a crime? The ghost of Lord Montberry haunts the Palace Hotel in Venice --- or does it? Montberrys beautiful-yet-terrifying wife, the Countess Naron, and her erstwhile brother are the center of the terror that fills the Palace Hotel. Are their malefactions at the root of the haunting -- or is there something darker, something much more unknowable at work?
