

The Idiot

A naive and trusting prince falls prey to the machinations of Saint Petersburg society when he falls in love with two women—the kept mistress of a mysterious benefactor, the other the youngest daughter of a respected general. As his relationships with the two women deepen, Myshkin finds himself at the mercy of the women's motives, and his inability to choose between the two has disastrous consequences. Be it mystery, romance, drama, comedy, politics, or history, great literature stands the test of time.
