

## The Illustrated Alice in Wonderland (The Golden Age of Illustration Series)

The Illustrated Alice in Wonderland forms part of our Pook Press imprint, celebrating the golden age of illustration in childrens literature a period of unparalleled excellence in book illustration. The Illustrated Alice presents work from the masters of the Golden Age of Illustration, including over 200 illustrations from the likes of Arthur Rackham, Gwynedd M. Hudson, John Tenniel, W. Heath Robinson, Milo Winter and many more. The sheer variety of artistic responses to Charles Dodgsons story is truly fascinating; attesting to the skill of the author, and the pleasure the tale has brought to its readers. From character to character, scene to scene, there is always something new to discover. Alice in Wonderland is the best known work of Charles Lutwidge Dodgson (1832 - 1898), better known by his pen name, Lewis Carroll. Telling the tale of a girl named Alice who falls down a rabbit hole into a fantasy world populated by surreal and anthropomorphic creatures, the book was a huge commercial success on its initial publication in 1865. It has since inspired a whole generation of artists - whose many and varied responses to this nonsense narrative are truly inspiring. We hope you enjoy the journey.
