

The Magic World

To have your hair cut is not painful, nor does it hurt to have your whiskers trimmed. But round wooden shoes, shaped like bowls, are not comfortable wear, however much it may amuse the onlooker to see you try to walk in them. If you have a nice fur coat like a company promoters, it is most annoying to be made to swim in it. And if you had a tail, surely it would be solely your own affair; that any one should tie a tin can to it would strike you as an unwarrantable impertinenceto say the least.
