

The Ministers Charge

[...] I will see her mouth all to the finest sort of kindling-wood, if she doesn't get up this very instant, said Sewell, jerking the reins so wildly that the mare leaped into a galvanic canter, and continued without further urging for twenty paces. Of course, Lucy, he resumed, profiting by the opportunity for conversation which the mare's temporary activity afforded, I should feel myself greatly to blame if I thought I had gone beyond mere kindness in my treatment of the poor fellow. But at first I couldn't realize that the stuff was so bad. Their saying that he read all the books he could get, and was writing every spare moment, gave me the idea that he must be some sort of literary genius in the germ, and I listened on and on, expecting every moment that he was coming to some passage with a little lift or[...].
