

Tristram Shandy (Centaur Classics) [The 100 greatest novels of all time - #26]

Laurence Sterne's great masterpiece of bawdy humour and rich satire defies any attempt to categorize it. Part novel, part digression, its gloriously disordered narrative interweaves the birth and life of the unfortunate hero Tristram Shandy, the eccentric philosophy of his father Walter, the amours and military obsessions of Uncle Toby, and a host of other characters, including Dr. Slop, Corporal Trim and the parson Yorick. A joyful celebration of the endless possibilities of the art of fiction, Tristram Shandy is also a wry demonstration of its limitations.
