

## Voyage After the Collapse (The Pulse Series Book 3)

BOOK III OF THE PULSE SERIES A STORY OF SURVIVAL IN THE AFTERMATH OF MASSIVE SOLAR FLARES THAT DESTROY THE POWER, COMMUNICATIONS AND TRANSPORTATION GRIDS, BRINGING ABOUT A DESCENT INTO LAWLESS CHAOS AND UNBRIDLED SAVAGERY. The crew of the sailing vessel, Casey Nicole has endured a harrowing ordeal on the dark waterways of the coastal swamps near New Orleans, but Artie Drager has escaped with what he came for his only daughter, Casey. They are free of the mainland but still too close for comfort. Now the crew of six aboard the big catamaran must plot a course and set sail into the unknown, hoping to find a place where the impact of the electromagnetic pulse was not so severe. Where that will be, they have no way of knowing. Did the solar flares affect the whole planet, or just the parts of the Western Hemisphere they have seen? Voyage After the Collapse is a passage of hope into an uncertain future, leaving the terror of the U.S. mainland astern in the wake.
