

Voyage After the Collapse (The Pulse Series) (Volume 3)

BOOK III OF THE PULSE SERIES
A STORY OF SURVIVAL IN THE
AFTERMATH OF MASSIVE SOLAR
FLARES THAT DESTROY THE
POWER, COMMUNICATIONS AND
TRANSPORTATION GRIDS,
BRINGING ABOUT A DESCENT INTO
LAWLESS CHAOS AND UNBRIDLED
SAVAGERY. The crew of the sailing
vessel, Casey Nicole has endured a
harrowing ordeal on the dark waterways of
the coastal swamps near New Orleans, but
Artie Drager has escaped with what he
came for his only daughter, Casey. They
are free of the mainland but still too close
for comfort. Now the crew of six aboard
the big catamaran must plot a course and
set sail into the unknown, hoping to find a
place where the impact of the
electromagnetic pulse was not so severe.
Where that will be, they have no way of
knowing. Did the solar flares affect the
whole planet, or just the parts of the
Western Hemisphere they have seen?
Voyage After the Collapse is a passage of
hope into an uncertain future, leaving the
terror of the U.S. mainland astern in the
wake.
