

The Romance of Lust: The Romance of a Plain Man

Two classic romance novels in one book. The Romance of Lust: A classic Victorian erotic novel. There were three of us - Mary, Eliza, and myself. I was approaching fifteen, Mary was about a year younger, and Eliza between twelve and thirteen years of age. Mamma treated us all as children, and was blind to the fact that I was no longer what I had been. Although not tall for my age, nor outwardly presenting a manly appearance, my passions were awakening, and the distinctive feature of my sex, although in repose it looked magnificent enough, was very sufficiently developed when under the influence of feminine excitement. As yet, I had absolutely no knowledge of the uses of the different organs of sex. My sisters and I all slept in the same room. They together in one bed, I alone in another. When no one was present, we had often mutually examined the different formations of our sexes. The Romance of a Plain Man: As the storm broke and a shower of hail rattled like a handful of pebbles against our little window, I choked back a sob and edged my small green-painted stool a trifle nearer the hearth. On the opposite side of the wire fender, my father kicked off his wet boots, stretched his feet, in grey yarn stockings, out on the rag carpet in front of the fire, and reached for his pipe which he had laid, still smoking, on the floor under his chair. Its as true as the Bible, Benjy, he said, that on the day you were born yo brother President traded off my huntin breeches for a yaller pup. My knuckles went to my eyes, while the smart of my mothers slap faded from the cheek I had turned to the fire. Whats become o th p-p-up-p? I demanded, as I stared up at him with my mouth held half open in readiness to break out again. Dead, responded my father solemnly, and I wept aloud.
