

The Sea Fogs

Robert Louis Balfour Stevenson (13 November 1850 – 3 December 1894) was a Scottish novelist, poet, essayist, and travel writer. His most famous works are *Treasure Island*, *Kidnapped*, and *Strange Case of Dr Jekyll and Mr Hyde*. A literary celebrity during his lifetime, Stevenson now ranks among the 26 most translated authors in the world. His works have been admired by many other writers, including Jorge Luis Borges, Ernest Hemingway, Rudyard Kipling, Marcel Schwob, Vladimir Nabokov, J. M. Barrie, and G. K. Chesterton, who said of him that he seemed to pick the right word up on the point of his pen, like a man playing spillikins.
