

The Seven Against Thebes (Dodo Press)

Aeschylus (525 BC-456 BC) was an ancient Greek playwright. He is often recognized as the father or the founder of tragedy, and is the earliest of the three Greek tragedians whose plays survive, the others being Sophocles and Euripides. Many of Aeschylus works were influenced by the Persian invasion of Greece, which took place during his lifetime. His play *The Persians* remains a quintessential primary source of information about this period in Greek history. He wrote some 70 to 90 plays, but only seven tragedies have survived intact: *The Persians*, *Seven Against Thebes*, *The Suppliants*, the trilogy known as *The Orestia*, consisting of the three tragedies *Agamemnon*, *The Libation Bearers* and *The Eumenides*, and *Prometheus Bound* (whose authorship is disputed).
