

## Hiking Kansas City

The definitive guidebook to hiking Kansas City is back-completely updated, expanded and redesigned with a mountain of new photographs to help you hike, explore, and unwind. In this comprehensive fifth edition, life-long Kansas City hikers William Eddy and Richard Ballentine highlight more than 125 off-the-road hiking and walking trails in and around the Kansas City area. From popular, flat, paved city park trails to remote, rolling, forested treks-you'll find that good walks and hikes are close to home no matter which way your compass points you. This guidebook includes updates to old favorites as well as many new trails sure to be visited again and again. Beginners and seasoned hikers alike can flip a few pages and find a perfect trail no matter the season.
