

The Valley of Fear (Dover Thrift Editions)

Look down the valley! See the cloud of a hundred chimneys that overshadows it! I tell you that the cloud of murder hangs thicker and lower than that over the heads of the people. It is the Valley of Fear, the Valley of Death. The terror is in the hearts of the people from the dusk to the dawn. So declares a resident of a mining town, where a sinister secret society maintains its stranglehold on the community with a series of violent crimes. The Valley of Fear, the last of the four Sherlock Holmes novels, ranks among Sir Arthur Conan Doyle's best work. The mystery begins with a coded warning of imminent danger, drawing the illustrious Sherlock Holmes and the faithful Dr. Watson to a secluded English country home. A trail of bewildering clues--raincoats, dumbbells, a missing wedding ring leads to sleuthing in the finest Holmesian tradition and the gripping backstory of a cult that terrorized a valley in the American West. Crisp, realistic characterizations and a cracklingly suspenseful narrative make this novel a must-read for all lovers of mystery and detection as well as Sherlock Holmes fans.
