

The Call of the Wild (EasyRead Super Large 24pt Edition)

Jack London's *The Call of the Wild* (1903) concerns a dog named Buck, a 140lb Saint Bernard and Scotch Shepherd mix. Living an easy life as the pet dog of Judge Miller in the Santa Clara Valley of Northern California, Buck is abducted by Manuel, an assistant of the Millers' gardener, and is sold to a trainer of sled dogs. Introduced to a brutal new way of life in which he must struggle to survive, Buck becomes wild and furious.
