Excerpt: ... may find a motto for it in Horace, but I cannot reach him without getting out of my chair; that is a sufficient reason for my not affixing any.--And being obliged to sit upright to ring the bell for my servant to convey this to the penny-post, if I slip the opportunity of his being now in the room, makes me break off abruptly. This correspondent, whoever he be, is not to be dismissed without some tokens of regard. There is no mark more certain of a genuine Idler than uneasiness without molestation, and complaint without a grievance. Yet my gratitude to the contributor of half a paper shall not wholly overpower my sincerity. I must inform you, that, with all his pretensions, he that calls for directions to be idle is yet but in the rudiments of idleness, and has attained neither the practice nor theory of wasting life. The true nature of idleness he will know in time, by continuing to be idle. Virgil tells us of an impetuous and rapid being, that acquires strength by motion. The Idler acquires weight by lying still. The vis inertice, the quality of resisting all external impulse, is hourly increasing; the restless and troublesome faculties of attention and distinction, reflection on the past, and solicitude for the future, by a long indulgence of idleness, will, like tapers in unelastic air, be gradually extinguished; and the officious lover, the vigilant soldier, the busy trader, may, by a judicious composure of his mind, sink into a state approaching to that of brute matter; in which he shall retain the consciousness of his own existence only by an obtuse languor and drowsy discontent. This is the lowest stage to which the favourites of idleness can descend; these regions of undelighted quiet can be entered by few.

Of those that are prepared to sink down into their shad/3, some are...
