

## Tick Tock of Oz

Lyman Frank Baum (May 15, 1856 – May 6, 1919), better known by his pen name L. Frank Baum, was an American author chiefly known for his children's books, particularly *The Wonderful Wizard of Oz*. He wrote thirteen novel sequels, nine other fantasy novels, and a host of other works (55 novels in total, plus four lost works, 83 short stories, over 200 poems, an unknown number of scripts,[1] and many miscellaneous writings), and made numerous attempts to bring his works to the stage and screen. His works anticipated such century-later commonplaces as television, augmented reality, laptop computers (*The Master Key*), wireless telephones (*Tik-Tok of Oz*), women in high risk, action-heavy occupations (*Mary Louise in the Country*), and the ubiquity of advertising on clothing (*Aunt Janes Nieces at Work*).
