

The Mysteries of Udolpho (Fantastic Fiction)

A beautifully crafted tale of gothic romance. Fresh with grief for her recently-deceased father and forced to live with an aunt who doesn't want her, Emily is plunged into a nightmarish world in this terrifying gothic classic by Ann Radcliffe. Having been forced apart from the man she loves, Emily finds herself at the mercy of her aunt's husband, the threatening Count Montoni, who imprisons her in the eerie Castle Udolpho. The cold intimidating fortress walls echo the desolation of Emily's own mind as she confronts the waking terrors of the castle and the machinations of Montoni. Steeped in atmosphere and full of dark sweeping landscapes, Radcliffe offers a disturbing tale couched in seductive language. FLAME TREE 451: From mystery to crime, supernatural to horror and fantasy to science fiction, Flame Tree 451 offers a healthy diet of werewolves and mechanical men, blood-lusty vampires, dastardly villains, mad scientists, secret worlds, lost civilizations and escapist fantasies.
