

War and Peace - 1st Edition: Book 9 - 15

Epic historical novel by Leo Tolstoy, originally published as *Voyna i mir* in 1865-69. This panoramic study of early 19th-century Russian society, noted for its mastery of realistic detail and variety of psychological analysis, is generally regarded as one of the worlds greatest novels. *War and Peace* is primarily concerned with the histories of five aristocratic families--particularly the Bezukhovs, the Bolkonskys, and the Rostovs--the members of which are portrayed against a vivid background of Russian social life during the war against Napoleon (1805-14). The theme of war, however, is subordinate to the story of family existence, which involves Tolstoys optimistic belief in the life-asserting pattern of human existence. The heroine, Natasha Rostova, for example, reaches her greatest fulfillment through her marriage to Pierre Bezukhov and her motherhood. The novel also sets forth a theory of history, concluding that there is a minimum of free choice; all is ruled by an inexorable historical determinism. (This is Volume 2 of 2 - for the complete first edition of *War and Peace*, make sure to order Volume 1 as well)
