

Follow Titanic: Marsha & Danny Jones Thriller

The Sea Empress sets sail from Southampton on a trans-Atlantic cruise and two large storms force the ship to divert to a northern crossing. The Joan of Arc has just left the port with a ship full of thrill-seekers who are following the voyage of the Titanic 100 years after that disaster. On board the Sea Empress once again are Marsha and Danny Jones, husband and wife team providing executive protection to the ship and her passengers. What could go wrong? My wife can nail a killer right between the eyes at forty paces, said Danny. Lucky for me because that guy had the drop on me when he brought my Eggs Benedict to our stateroom. Its cold outside and yet one more important guest who is on board is in peril as terror strikes again! Can the curse of the Titanic spell doom and destruction for the Joan of Arc and the Sea Empress? Will retired Secret Service Agent Marsha Jones save the day once again? Danger lurks on every cruise!
