

## Tess of the dUrbervilles: A Pure Woman (Annotated)

Tess of the dUrbervilles: A Pure Woman Faithfully Presented is a book by Thomas Hardy. It initially appeared in a censored and serialized version, published by the British illustrated newspaper The Graphic in 1891 and in book form in 1892. Though now considered a major nineteenth century English novel, Tess of the dUrbervilles received conflicted reviews when it first appeared, in part because it challenged the sexual mores of late Victorian England. This book has been formatted for your Kindle, with an active table of contents. It has also been annotated, with extensive additional information about the book, including an overview, plot, symbolism, themes, adaptations, biographical and bibliographical information.
