

## Tales of Mystery & Imagination (Tales of Mystery & the Supernatural)

With an Introduction by John S. Whitley, University of Sussex This collection of Poe's best stories contains all the terrifying and bewildering tales that characterize his work. As well as the Gothic horror of such famous stories as The Pit and the Pendulum, The Fall of the House of Usher, The Premature Burial and The Tell-Tale Heart, all of Poe's Auguste Dupin stories are included. These are the first modern detective stories and include The Murders in the Rue Morgue, The Mystery of Marie Roget and The Purloined Letter.
